

How to Order

Platinum provides a wide selection of sizing, surface and color options so you can easily create the perfect visual system for your needs. We've provided a few examples of this process below to guide you in specifying color and size for our customizable products.

XX Specify Your Color

Model numbers with an "XX" indicate that you can select the surface color for your board. Below is an example of a **DTS Standard Vinyl Tackboard**. Please contact customer service for full color options and color codes.

8026304**50**=PACIFIC BLUE

8026304**51**=PLATINUM

8026304**52**=COTTON

H Specify Your Dimensions

Model numbers with an "H" and "WW" indicate that you can select the height and width of that product. Below is an example of an **Unframed Markerboard** with specified dimensions.

WW

8551**30400**=3' H X 4' W

8551**40600**=4' H X 6' W

8551**50800**=5' H X 8' W

LF Specify Your Material Length

Model numbers with an "LF" indicate that you can select the number of linear feet desired. The below example is for a **1" Colored Cork Map and Display Rail**.

85000**0611**=6 LINEAR FEET

85000**1011**=10 LINEAR FEET

85000**2411**=24 LINEAR FEET
