

NEW

Full-height Mobile Markerboard

Platinum's new full-height mobile markerboard is designed to move effortlessly between spaces. It's available in Writanium® porcelain or Brilliant™ Glass writing surfaces—both magnetically receptive to support a more dynamic, organized workspace. Combining everyday durability with a clean, modern aesthetic, its full-height design gives teams the space to collaborate freely—anywhere.

- Writanium® porcelain writing surfaces are projection-friendly, accept magnetic accessories, and resist ghosting or staining.
- Dual-sided design provides two full writing surfaces, making it easy to switch between topics or separate content.
- Stable rolling base with locking casters ensures effortless mobility and secure positioning during use.
